The Collection, Process and Use of Personal Data

Qubosoft collects **personal** and **business data** only when voluntarily provided by clients through **forms, registrations, service inquiries, or direct engagement**. Such data may include **names, contact information, company details, billing information, and project requirements**. The information is processed strictly for **legitimate business purposes**, including **service delivery, communication, billing, technical support, and performance improvement**. We implement **robust security measures** such as **encryption, access restrictions, and secure storage** to protect data against **misuse, unauthorized access, or loss**. Clients have the right to request **updates, corrections, or deletion** of their **personal information** in accordance with applicable **privacy and data protection laws**.

Qubosoft ensures that **personal data** is used **responsibly, transparently, and only for agreed purposes**. We do not **sell or disclose personal information** to **third parties** except when **legally required or essential for fulfilling services**. Continued use of our **services** constitutes **consent** to this **policy**.

Disclaimers

Qubosoft provides its **services, software, and website content** on an “**as-is**” and “**as-available**” basis, without any **warranties**, express or implied. While we strive to maintain **accuracy, reliability, and continuity** of information and services, we cannot guarantee that all features will always be **error-free, uninterrupted, or completely secure**. Any reliance on the **information, recommendations, or solutions** provided by **Qubosoft** is at the **client’s own risk**. We disclaim all **liability** for damages arising from **delays, errors, interruptions, system failures, or loss of data** resulting from the use of our **services or website**. Clients are encouraged to maintain **independent backups**.

Qubosoft shall not be responsible for **third-party links, tools, or integrations** accessed through our **services**. Use of such **external resources** is solely at the **discretion and risk of the user**.

Data Protection

Qubosoft is committed to **safeguarding** all **personal, business, and financial data** entrusted to us by **clients, partners, and users**. We implement strict **security protocols**, including **encryption, multi-layer authentication, secure servers, and restricted access**, to prevent **unauthorized use, disclosure, or loss of data**. All **employees and third-party partners** handling **sensitive information** are bound by **confidentiality agreements** and trained to follow **best practices in data protection**. We comply with applicable **data protection regulations** and ensure that data collected is processed **lawfully, transparently, and only for legitimate business purposes** such as **service delivery, communication, and performance enhancement**. Clients also retain rights to request **updates, corrections, or deletion** of their **personal information**.

Qubosoft continuously reviews and **upgrades its security practices** to adapt to **evolving technologies** and **threats**, ensuring that **client data** remains **protected** and handled **responsibly** at all times.

How We Use Cookies

Qubosoft uses **cookies** and similar technologies to **enhance user experience**, **improve website performance**, and **analyse traffic**. Cookies allow us to **remember user preferences**, **provide personalized content**, and ensure **smoother navigation** across our platforms. We may use **session cookies** for temporary functionality and **persistent cookies** to recognize returning users. **Analytical cookies** help us **understand user behaviour**, **identify trends**, and **optimize our services** accordingly. While cookies may collect **non-personal data** such as **browser type**, **IP address**, and **device information**, no **sensitive personal details** are stored. Users can **manage**, **disable**, or **delete cookies** at any time through their **browser settings**.

By continuing to use Qubosoft website and services, users **consent to our cookie practices**, which help deliver **tailored solutions** and **improved functionality**.

The Collection, Process, and Use of Personal Data

Qubosoft collects **personal** and **business data** when voluntarily shared by clients through **registrations**, **service requests**, or **project engagements**. This may include **names**, **contact information**, **company details**, **billing data**, and **project-specific requirements**. The information is processed solely for **legitimate purposes** such as **delivering services**, **managing communication**, **billing**, **technical support**, and **enhancing performance**. We adopt strict **security measures**—**encryption**, **secure storage**, and **restricted access**—to safeguard data from **unauthorized access**, **misuse**, or **loss**. Clients also have the right to **review**, **update**, or **request deletion** of their **personal data** in line with applicable **privacy regulations** and **compliance standards**.

Qubosoft ensures data is used **transparently** and **responsibly**, never **sold** or **shared with third parties** except when **legally required** or essential for **fulfilling services**.
